

## **Privacy Policy**

We appreciate your visit to this, one of the duller pages of any website. But privacy is important, and the law makes a page like this necessary.

The TL;DR version:

This website doesn't do anything unexpected or nefarious when it comes to privacy and personal data. If you use websites in general without concerns, you'll be fine using this one.

If you're very concerned about privacy issues, you might not want to use this website in case of a stray cookie or IP address being used to identify you, and you definitely don't want to leave a comment or sign up for an email list on this website. Or indeed any website on the internet.

Thanks for visiting. Stay safe out there.
